The Contributor is a nonprofit social enterprise providing economic opportunity to people experiencing or who have experienced homelessness and poverty. We print an award-winning bi-weekly, hyperlocal newspaper that challenges stereotypes surrounding homelessness and tells the stories of our **Contributor** vendors. Through newspaper sales our vendors build their own micro-businesses, establish meaningful relationships, and work their way into housing.

UNZINE Nashville is a publication of **The Contributor**, the **Nashville Street Poetry Project** and **Stagger Press**

Welcome
to my
World

O paper dolls!
Over here!
Please free me
from this effing
dildo!

Help
her!

Free
yourSELF,
Lady!

Seriously?
Just
un glue me
and I
can
handle it
from there.

OMG! I feel
so much
lighter!

I think
you're
looking
for the
F word
here...

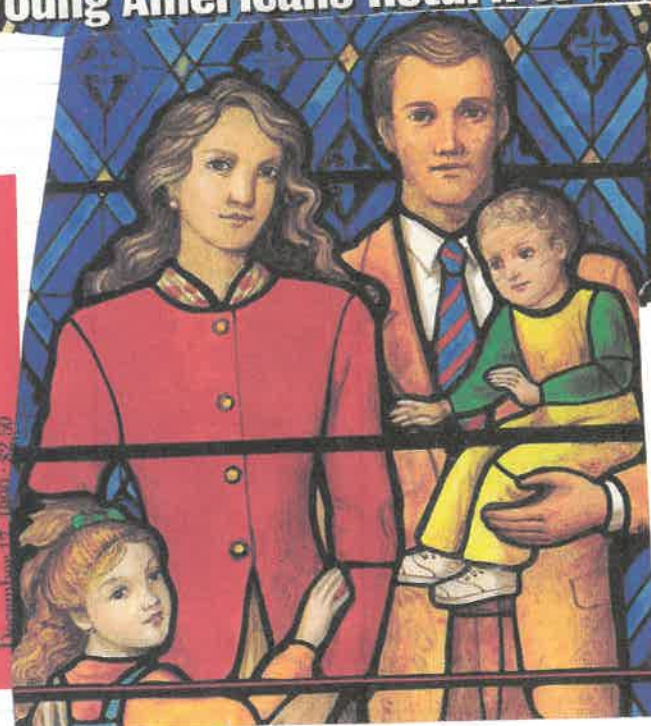

FREEDOM!

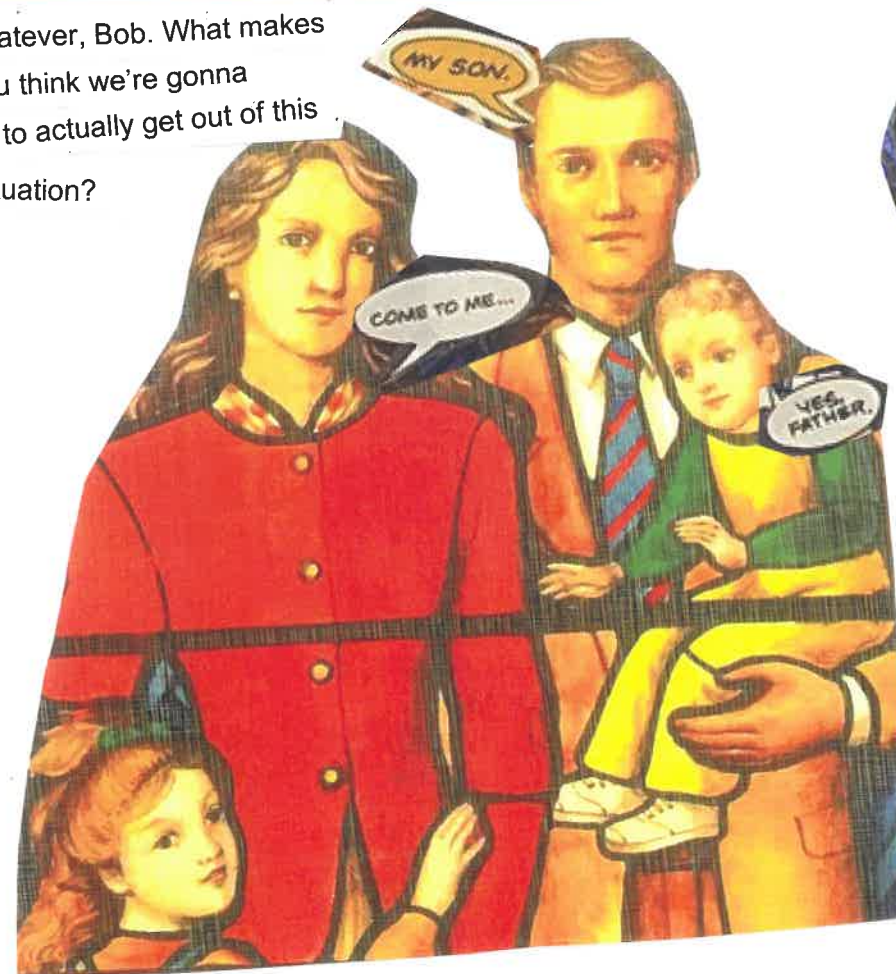

AND NOW FOR THE "News"

And the Children Shall Lead Them

Young Americans Return to God

whatever, Bob. What makes
you think we're gonna
get to actually get out of this
situation?

Who put me in this effin suit?
I can't run in this!

Daddy, why am I here
instead of on Mommies tit?

Shush! We're in a photo shoot.
We Will be burned as paper dolls
if we don't comply. Hold still.

Mommy, I am hungry!

Mommy, who is that bad
man staring at us?

He is the founder
of the Heritage Foundation.

The heritage foundation?

Oh, you mean
the ones who are subverting
my heritage, right?
White Christian right wing churches?

Wait! I'm reading the handmaid's tale in class...

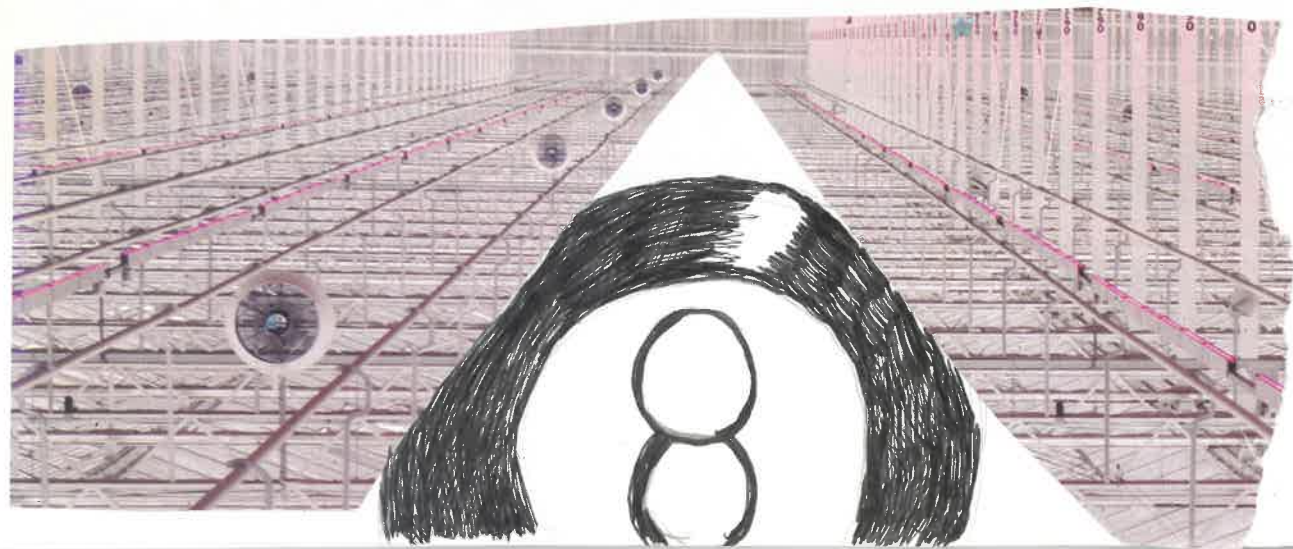

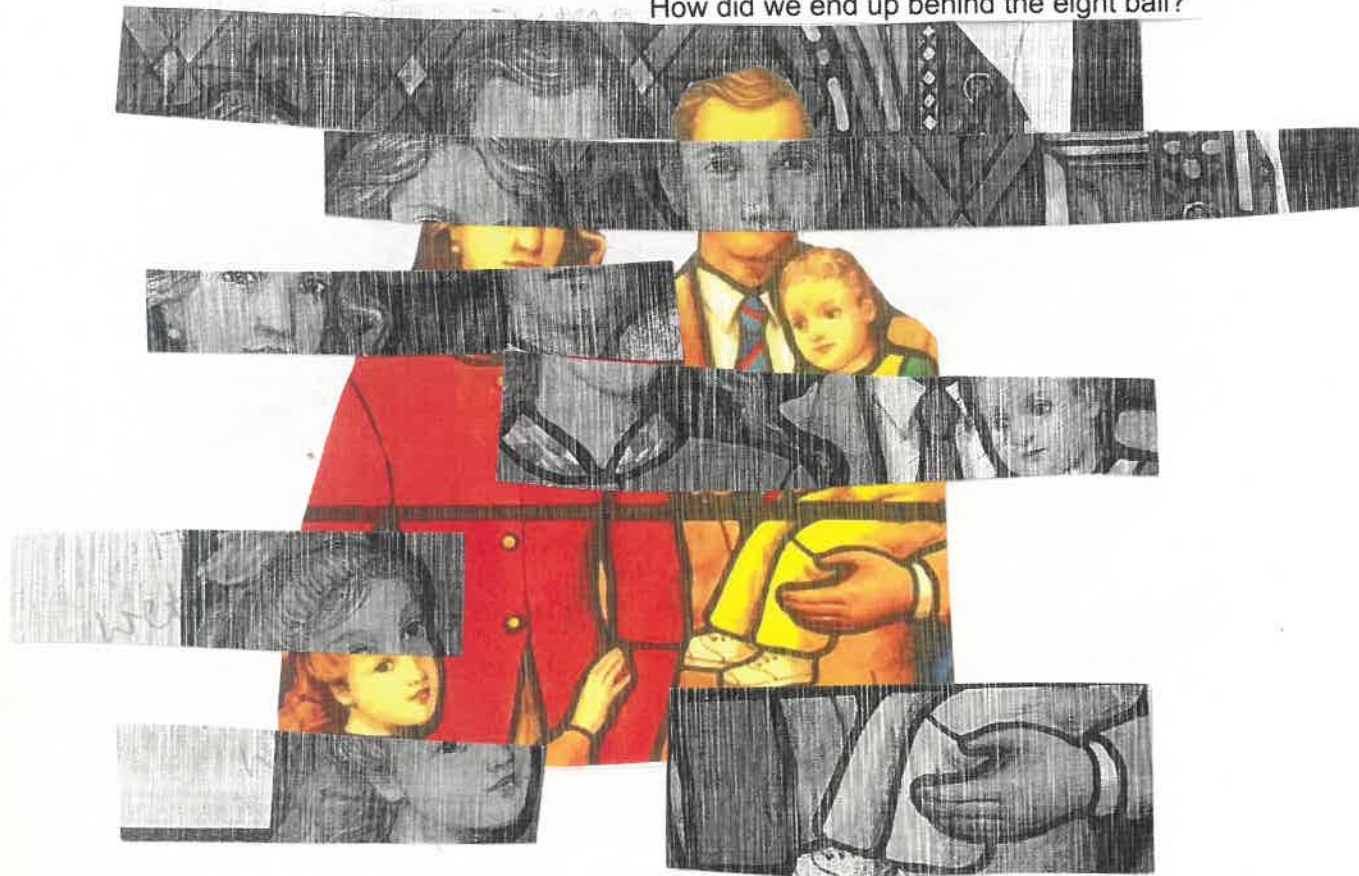

Mommy, I am scared.

Don't worry daughter, I've got wet
blankets in the car in
case we need to escape.

Hush! DON'T SHOW YOUR FEELINGS.

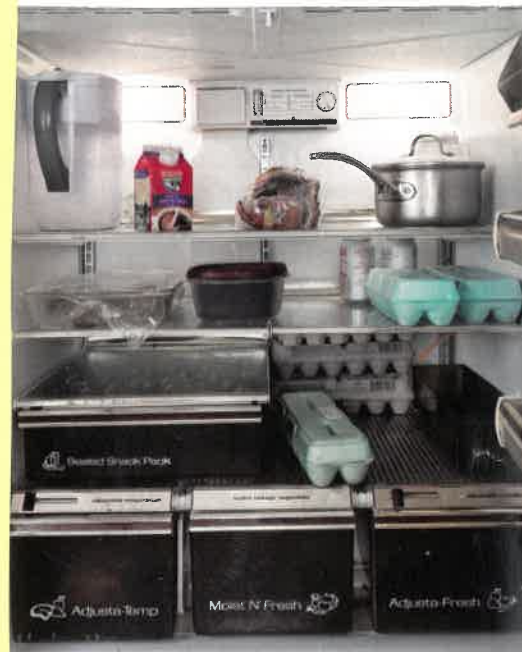

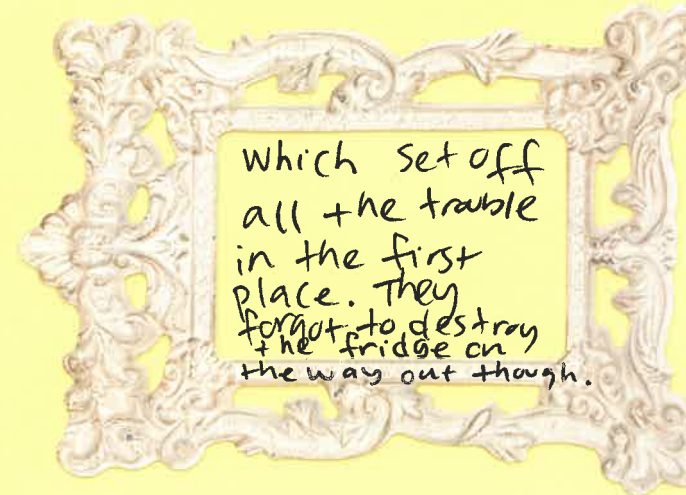

How did we end up behind the eight ball?

Well, no one was looking at lunchbreak,

So the family ran over to the daughter's school to pick up her important paper on the Heritage Foundation,

MOVE!

What does that even mean anyway?

Today, I
will understand
about
civilizations.

Not much.

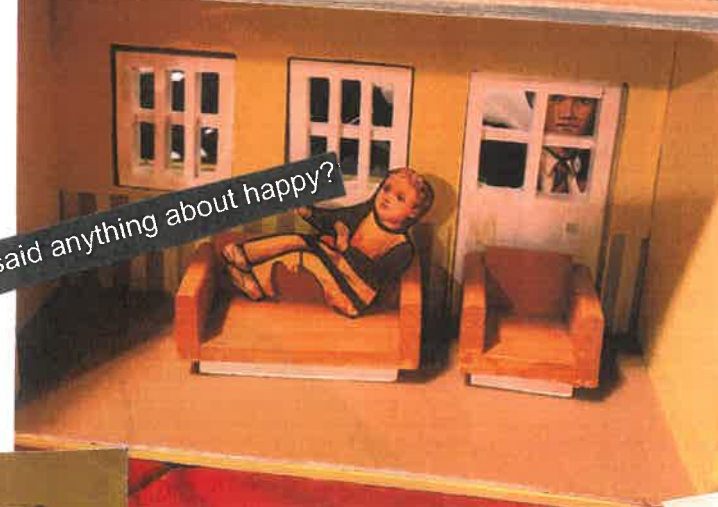

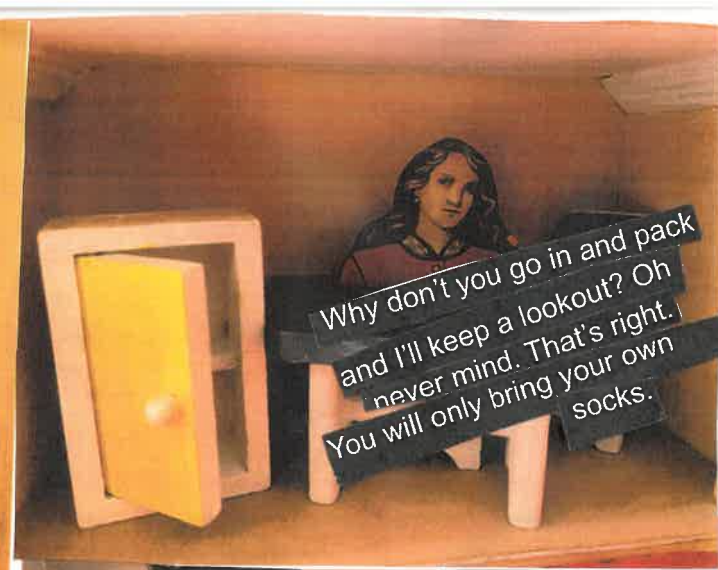

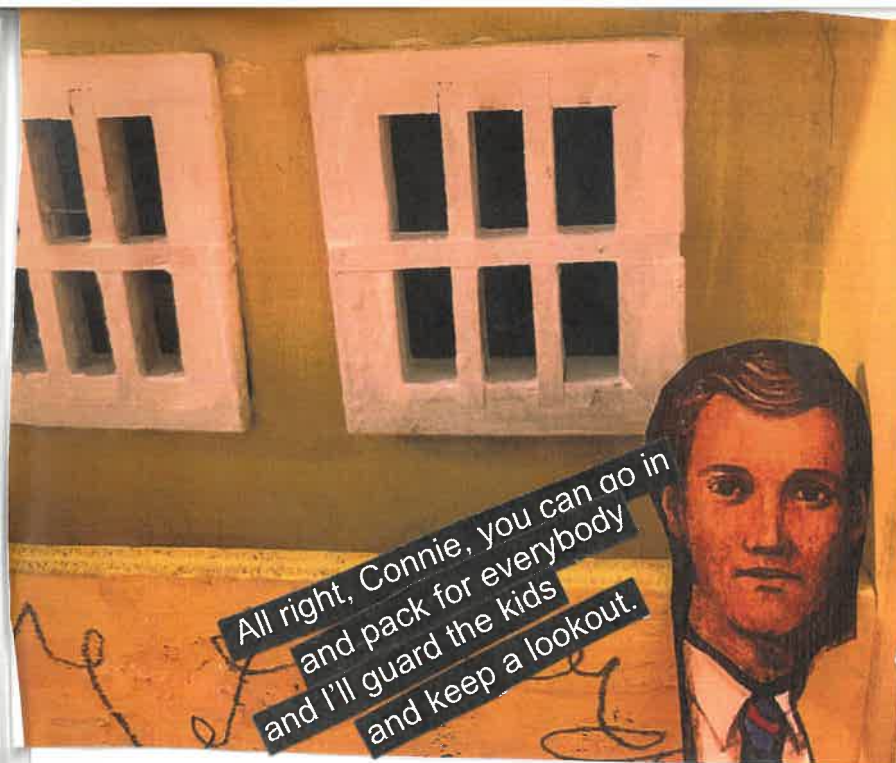

Are words edible?

It means that we will be home
schooling you from now on.

I don't think that's
really a solution.

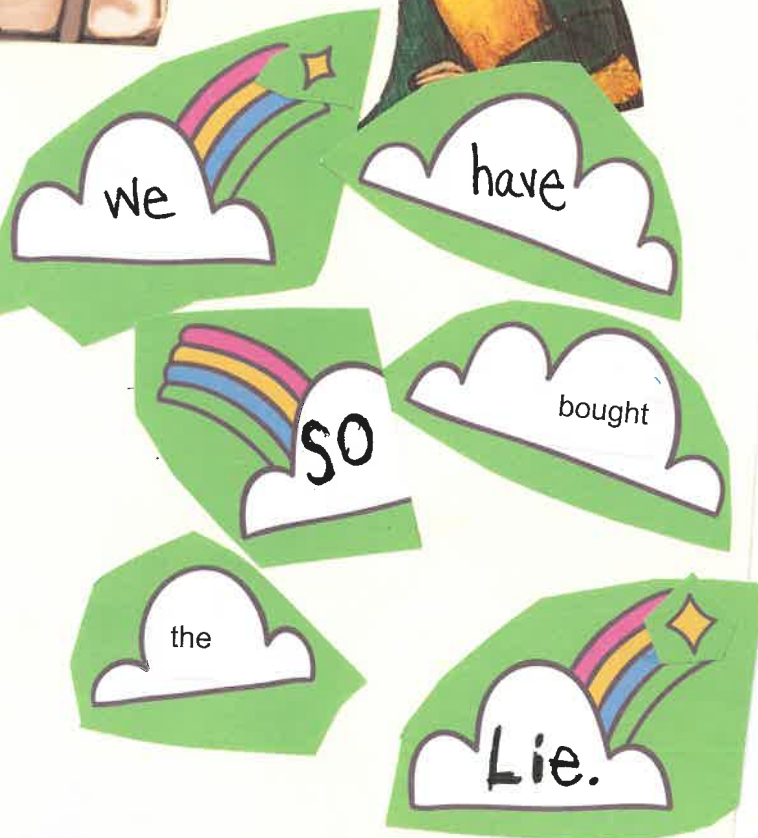

[illegible]

These?
Kick off **your** shoes Bob!
These cost three grand!

For Pete's sake Connie kick off those heels!

Now I understand why
the lower class hates us.

TODAY
I WILL
UNDERSTAND
ABOUT
PROPAGANDA

So you have recently bought a house in Nashville, Tennessee.
Lucky you. Sort of. You may have bought from an offshore investor who has jacked up
the value of your home far beyond its actual value.
If you are in the majority of homeowners, you own just one home.
More likely, you are in the majority of people who tried to buy a home in Nashville
and ended up commuting an hour or more to work. From a rental property.

The bigger picture: In this case, it would be good to understand what is impacting
your co-workers' *inability* to buy their home. It has nothing to do with financial
savvy, and everything to do with corporate greed.
"There is a level of wealth that causes moral injury."
